Minimum balance to obtain the annual percentage yield disclosed - You must maintain a minimum balance of \$1,000.00 (\$100,000.00 for Jumbo CD) in the account each day to obtain the disclosed annual percentage yield.

Daily balance computation method - We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Accrual of interest on non-cash deposits - Interest begins to accrue on the business day you deposit non-cash items (for example, checks).

Transaction limitations - You may not make any deposits into your account before maturity. You may not make withdrawals of principal from your account before maturity. You may withdraw interest credited to your account before maturity.

Time requirements -

Your account will mature _____

Early withdrawal penalties (a penalty may be imposed for withdrawals before maturity) -

- If your account has an original maturity of one year or less: The fee we may impose will equal 90 days interest on the amount withdrawn subject to penalty.
- If your account has an original maturity of more than one year:
 - The fee we may impose will equal 180 days interest on the amount withdrawn subject to penalty.

In certain circumstances, such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

Automatically renewable time account - This account will automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any) or we receive written notice from you within the grace period mentioned below, if any. We can prevent renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal, interest will not accrue after final maturity. Each renewal term will be the same as the original term, beginning on the maturity date. The interest rate will be the same we offer on new time deposits on the maturity date which have the same term, minimum balance (if any) and other features as the original time deposit. You will have ten calendar days after maturity to withdraw the funds without a penalty.
